

# Quicken for Mac 2015-2017 Conversion Instructions

---

## *Web Connect*

### Introduction

As **First National Bank** completes its system conversion to **their new internet banking system**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for First National Bank's internet banking system.

**Be sure you have successfully logged in to the new internet banking system before proceeding.**

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

*Thank you for making these important changes!*

### Documentation and Procedures

---

#### **Task 1:** Conversion Preparation

---

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for **Backing Up**, select **Backing up data files**, and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for **Updates**, select "Check for Updates," and follow the instructions.

---

#### **Task 2:** Connect Accounts at **First National Bank Spearman** on or after **July 25**.

---

1. Select your account under the **Accounts** list on the left side.
2. Choose **Accounts** menu > **Settings**.

3. Select Set up transaction download.
4. Enter **First National Bank Spearman** in the **Search** field, select the name in the **Results** list and click **Continue**.
5. Log in to **Fnbhome.bank Download** a file of your transactions to your computer.

**NOTE:** Take note of the date you last had a successful connection. If you have overlapping dates in the web-connect process, you may end up with duplicate transactions.

6. Drag and drop the downloaded file into the box **Drop download file**.

**NOTE:** Select "Web Connect" for the "Connection Type" if prompted.

7. In the "**Accounts Found**" screen, ensure you associate each new account to the appropriate account already listed in Quicken. Under the **Action** column, select "**Link**" to pick your existing account.

**IMPORTANT:** Do **NOT** select "**ADD**" under the action column unless you intend to add a new account to Quicken.

8. Click **Finish**.
9. Repeat steps for each account to be connected.
